7th November 2018

School Closure Update: Y1 – Y6 to return to school

Dear Parent

The water mains problem has turned out to be much more complicated than we imagined. We are doing everything we can to help resolve the issue and I would like to apologise again for any inconvenience this has caused.

We are still currently without water and it is unlikely that this will change for the rest of this week. However we do have access to a toilet at the church site, so will be able to bring children in groups to use the toilet. Unfortunately school dinners cannot be provided due to the lack of water.

Therefore, school will be open tomorrow for children from Year 1 through to Year 6. All children will need to bring a packed lunch and drinks.

Reception and Nursery Classes will not be able to attend school as toilet access is limited.

Please note: there will be no breakfast club or after school clubs and no morning snack.

We will still provide daily updates on the situation; thank you for bearing with us.

Yours sincerely

Mrs Nichola Damms
Principal
